

ECVET system for no borders in the Green Economy sector
supporting Employability, Adaptability and European Mobility in VET systems and Labour Market

Green energy workers: comparing European skills

DISSEMINATION SEMINAR

Vienna 07 July 2015

AGENDA

Meeting Point: IBW – Institut für Bildungsforschung der Wirtschaft, Rainergasse 38, 1050 Wien

- 09.00** Opening of the dissemination seminar with experts and welcome speech from IBW and EUROBIC
- 09.15** Introduction to the project and to professional profiles it's based on, and presentation of the comparative matrix of national professional profiles as a final proposal of adaptation
- 09.45** Round table discussion and collection of experts opinions and contribution.

The round table will be moderated by project staff, and will focus on these main issues:

- Starting from the different national system and from experts' experiences, which are the knowledge, skills and competences framework, areas of activities and tasks of the selected profiles, identified in the comparative matrix, which are actually required and recognized in the labour market of each country?
- Are the correspondences that have been identified between the Italian starting profile and the professional profiles of the other partner countries, plausible and can they be applied in the context of mobility of people (study mobility and/or labour mobility)?
- What kind of further professional development can we foresee for the selected professional profiles?
- What are the opportunities for the Italian professional profile in the labour market of the Partner Countries?

13.00 Summing up the seminar conclusions

13.30 End of the seminar and buffet lunch
